Job roles Description and QP Codes for Handloom

Job Role	QP Code	Job Role	QP Code
Hank dyer	TSC/Q7201	Warper	TSC/Q7302
Cone winder and pirn winder	TSC/Q7301	Two shaft Handloom Weaver	TSC/Q7303

- Note:**
1. Training demand is sought only for the Training Partner and not the Training Centre. If a Training Partner is planning to have other units under it as its training centre, then it is supposed to sum up job wise demands for all the Centres and submit one form only. [Note: Training Providers have the login rights on SDMS and are provided with login credentials].
 2. If the login credentials for a training partners are not generated so far, then those will be generated based on the SPOC details furnished in this form before the allocation of targets.
 3. It is mandatory to correctly fill the fields marked in RED.
 4. Avoid submitting multiple forms
 5. After filling the form please click the submit button on top right of form and follow the instructions in the pop up message that appears. The response can be sent by Desktop Email Application as well as Internet Email. It is important to note that you are required to submit only the response by clicking submit button and not the filled up form.
 6. It is recommended that you save the filled up form for your later reference (but please do not send to us).
 7. You may also prefer to forward the email to other mills desirous of joining as Training Partners provided they fulfil the requirements mentioned in the protocol for affiliating as Training Provider with TSC. The protocol and other details for affiliation can be accessed from the link <http://texskill.in/training-providers/get-affiliated-as-training-providers/>.
