

Important information on Posters PMKVY 2.0

It has been decided by MSDE that the following informational posters need to be put up by Training Partners at their Training Centers for each job role under PMKVY 2.0:

1. **Poster 1 – Placement Poster**
2. **Poster 2 – Equipment List**
3. **Poster 3 – Job Role Overview**
4. **Poster 4 – Occupation Map**

The posters of all the four categories are available at the below link under the “Branding and Collateral” heading on the TSC website (<http://texskill.in>).

<http://texskill.in/branding-and-collateral/>

Training Partners are requested to go through the instructions carefully and get the posters printed as per the below specifications and put them up in classrooms/labs at your Training Centers.

Specifications for Posters		
Position: On Walls in the Classroom (Two Posters each - One in English and the other in Hindi)	Size: 17inx22in	Material: Digital Printing on Imported Art Paper (300 GSM)

Following are the Objectives of the Posters:

Placement Opportunities: To make candidates aware of the current market requirements and future placement opportunities.

Equipment List: To familiarise Candidates with the equipment they will be handling over the duration of the course.

Job Role Overview: To familiarise Candidates with the NOSs, basic requirements of the job role they are enrolled.

Occupation/Career Map: To familiarise Candidates with the possible career paths after post training.
